

An aerial photograph of a city area in Georgia, likely Tbilisi, used for land management purposes. The map features several yellow-outlined polygons representing specific land parcels. These parcels are labeled with yellow boxes containing the text "მს. რეზერვუარი" (Municipal Reserve) and "ქარაიის მიწები პუნქტი" (Kharais' lands point). Other labels include "მს. ჯანდაცვის ცენტრი" (Municipal Health Center), "მს. სპორტული კომპლექსი" (Municipal Sports Complex), and "მს. საკრებულოს შენობა" (Municipal Assembly Building). Numerous green arrows point from various locations on the map to numerical values in white boxes, indicating elevations or distances. These values include ≈ 610 მ, ≈ 266 მ, ≈ 234 მ, ≈ 455 მ, ≈ 536 მ, and ≈ 322 მ. The map also shows surrounding urban areas, roads, and green spaces. A scale bar at the bottom left indicates a distance of 0 to 100 meters. The map is oriented with North at the top.

 $\approx 610\text{ g}$ $\approx 266 \text{ d}$ $\approx 234 \text{ \AA}$
